THE LOCKWOOD-JASPER BASKET BALL GAME.

The basket ball game staged at Lockwood last Friday evening with the Jasper quintet pitted against the Lockwood boys proved to be one of the very best. Lockwood started off three in the lead and from that on every player was on his toes till the timekeeper's whistle stopped them. Four times the score stood a tie. At the close of the first half the score was 7 to 7. The Lockwood boys showed they had had some very intensive coaching, falling in line for the five-man defense every time it was Jasper's ball and breaking quickly on recovery of the ball but the Jasper boys were there on every turn and broke the defense of the opponents with ease.

The Jasper boys showed that they had ample endurance, the five boys playing the game without time being called once, while the Lockwood boys showed fatigue and substituted quite often, playing nine different men before the game was over.

Those who saw the game say it was a better and faster game than Jasper played last year.

Carl Teeter and Willis Sullens played forward and both did excellent work, playing a very fast offensive game. Kenneth Wright played and excellent game, but seemed to be a little off on goal shooting, for Kenneth generally gets as many goals as any forward. Claud Arner and Melvin Buzzard were guards and put up a strong defense, Stonewall Jackson had nothing on these boys. On the side-line were three good players ready to go into the game if needed—Lloyd Arner, Clarence Boyer and Homer Gresham. The score for boys game was 16-15 in favor of Jasper.

The Jasper girls played their first game for the season and several of the girls had never played a game before and being somewhat nervous lost their game 24 to 4.

SALES DAY GOOD ONE.

The public auction at the sales pavilion was one of the best since the inauguration of the monthly sales day. The sale totaled near \$1800. More cattle were sold this time than at any previous sale. There were 70 head of good cows, and heifers, some registered and many good grade Jerseys, and 63 head of fine hogs—Durocs and spotted and black Polands.

It was a good day at the stores, the merchants being busy most of the day.

BASE LINE CHURCH NOT SOLD.

The Brethren Church building on the Baseline, was advertised for sale by auction last week. On the day set for the sale a large crowd of people living in that community met at the place appointed and protested so earnestly that the Messrs. A. M. Harvey, Wm. Greenwood and Wm. Holdeman, representing the church organization, called the sale off pending other arrangements.

Since the Brethren people bought the old Presbyterian Church in town they have had no need for the other building, but the people who live in the neighborhood of the church have become attached to it and don't want it removed, and a move is on foot to purchase the building and enough ground about it for a small church yard and keep it thus for any use the community wishes to make of it. There are few families in the community but that have relatives buried there. The church was built about 35 years ago and the cemetery established about 40 years ago.

I THANK YOU.

The undersigned, through this medium, wishes to express his appreciation of the nice vote given him Tuesday in Jasper and this part of Jasper County.

Respectfully,
Roy Coyne.

A Big Landslide . . .

On the face of the election returns it looks like everything had gone Democratic. Right after the election it is an awful good time to go a hunting. If you are on the winning side it will be a good time to celebrate. If you feel like going up Salt River, you can drown your sorrows by getting out your Winchester, loading it up with Winchester Shells, "the best shell sold," and get after the game while it is plenty. November 1 was the first day to shoot quail. Load up your gun, one, two, three; let's go for a big time and forget our sorrows.

Your Humble Servant,
